BRIEF ABSTRACT OF LETTER.

Recommends the continuance of the tech. Schp. granted to M. Narasimha Iyengar for Shipbuilding Sam. Engg. for another year from 1.7.15.

NOTES AND ORDERS.

When M. Narasimha Iyengar applied for the Schp. in July 1914, the D.P. of Edn. said that there was no Schp. of the kind instituted by this Govt. and that if Govt. wanted to grant a Schp., one of Rs. 20 might be given for one year

from 1.7.14. Accordingly the Govt. sanctioned the schs. for one year only from 1.7.14.

2 The present recommendation is to continue the schs. for another year. The D.G. has not stated whether this schs. is to be absorbed within the scale of the technical schps. awarded annually (10 in no.), and no proven to meet the cost has been pointed out by him — if it should be an extra schs. beyond the scale.

A special scholarship of Rs.20 per mensem was awarded for the period of one year to N. Narasimhaiengar for the study of Sanitary Engineering in the Victoria Technical Institute. The period having expired, it is proposed to continue it for another year.

2. The matter was considered in Council and the Council are in favour of sanctioning the Inspector General of Education's recommendation to continue the scholarship.

Page 12 of offi note

3. The Financial Secretary is of opinion that as the scholarship is outside the scale, it is not desirable to allow the scale to be again exceeded.

4. There is no doubt much force in the Financial Secretary's opinion. But as at present we are in great need of duly qualified men and as the cost will be met from savings under other scholarships, the resolution of the Council may be approved. The candidate is also specially recommended by the Principal.
